Mana'o from our LĀHAINĀ 'OHANA

On behalf of our 3 West Maui Canoe Clubs, Lahaina, Kahana, and Napili, we want to say mahalo nui loa for standing with our West Maui canoe 'ohana and helping bring state races to Lahaina this year. We know how much time, cost, and effort it takes for outer-island clubs to travel, and we deeply appreciate every paddler, coach, and supporter who made the journey and everyone who helped keep state races here in Lahaina. Your presence means so much, not only for our local vendors who are still working to stay afloat, but for our community's sense of normalcy and healing. After the fire, paddling became a lifeline, a safe space for mental health, and a place of strength, connection, and hope when we needed it most. For us on the West Side it's honestly been the only time our mind will quiet during the constant outside chaos.

We want to give a massive mahalo to OCHRA, HCRA, the other Maui canoe clubs, and everyone who donated, sent supplies, paddles and everything, without your kōkua, we wouldn't be here today for state races. To our Moloka'i 'ohana, whose boats of supplies arrived in Kahana before we even knew the full scope of what we'd lost, your aloha will never be forgotten. *We especially want to take this time to honor the 102 lives lost on August 8th, 2023, along with the many more from our West Side community who have been taken from us too soon since then...* Please remember paddling is more than medals. It is healing, strength, and 'ohana. If you are struggling, reach out. You are not alone. Our hope is that together, through culture, connection, paddling and community, we keep rising for Lahaina, for Maui, and for one another across the pae 'āina.

Mahalo nui,

Lahaina Canoe Club
Kahana Canoe Club
Napili Canoe Club

KERI MEHLING

HCRA PRESIDENT

Aloha,

On behalf of the HCRA Board of Directors and the Maui paddling community, I am excited to welcome all of you to the State Championship race held at Hanaka'ō'ō Beach on the West Side of Maui.

The world we live in is challenging. We are still facing major changes and challenges here on Maui and in the broader perspective, economic and social issues are at the forefront. Yet, we have the opportunity to come together with friends and family of like interest and share this amazing sport of outrigger canoe paddling. We come together with a quiet heart, an open mind, and a willingness to challenge ourselves while caring for our beautiful koa canoes and one another. This sport honors those who came before us and remains a gift to those of us living today.

To the many hands that have assisted in preparing for this race - our officers, directors, association representatives, committee chairs and members, and the entire MCHCA planning team - THANK YOU! To the many agencies from the County of Maui who have assisted in this process we appreciate your help and commitment to a successful event.

To each of the participants, HCRA wishes you success. Don't forget to follow along as the races progress via the livestream feed!

**WITH APPRECIATION,
KERI MEHLING
HCRA PRESIDENT**

Welina Ke Aloha Nui iā Kākou!

Welcome and Congratulations to each and every paddler, crew, club, coach, association, supporter, 'ohana and beyond for participating, enjoying and being a part of the 2025 HCRA State Paddling Championships. HCRA is proud to present our championship regatta once again this year in conjunctions with MCHCA and welcomes you all to the beautiful island of Maui and also to Hanaka'ō'ō Beach. Traveling to Maui is not easy considering the time, effort, planning and other logistics involved, but we are very excited to have you all here and we look forward to a great and successful event. E huli ka lima i lalo...HCRA serves you all humbly, respectfully and with an abundance of aloha!

This event is more than just a competition of our beloved sport of outrigger canoe paddling, it is a testament of resilience and overcoming adversity as well as a celebration of our Hawaiian Culture, Values, Language, Responsibility and Traditions. It is furthermore a time to share and strengthen relationships and to create memories to last for generations. Our combined efforts have come to fruition, and it is time to take the water in swift and healthy competition. The weight of all you represent are carried with pride, dignity and humility upon your shoulders, through your paddles and within your wa'a. Today, the best of the best take to the racecourse once again and may there be the best of luck to all!!!

A special humbled aloha and mahalo is shared with the community of Maui Island as well as with MCHCA and Maui County for being tremendous hosts this year. It takes many people and resources to ensure a successful event, and we are all thankful, grateful and appreciative of the efforts by every single one of them. We continue to support the Maui island community and its people as the healing and recovery process continues and we stand by your side every step of the way. HCRA always offers strength, blessings and health to all as we come to Maui as humbled guests to participate in the challenges of its waters and to traverse lightly upon your 'āina in this year's championship regatta in Lahaina at Hanaka'ō'ō Beach. Hence, I furthermore challenge all of us from both near and far to make a difference in the lives of someone else you do not know from Maui while we are here. Your support will last a lifetime and create opportunities and memories that will be unforgettable.

Mahalo Piha to PAR Hawaii once again for being a huge sponsor. Mahalo also to Maui County - Office of Economic Development for your generous grant funding. So many blessings are achieved through such generosity and support, and we pay it forward to all of our supporters. HCRA as well as all of our stakeholders are truly grateful and appreciative for all that PAR

Hawaii contributes to HCRA through its annual donations and furthermore to the Maui County - OED that continues to share with us as they continue to raise the bar of excellence at our events every year, we host our event in Maui County. May the winds and currents guide you always to success...May the inspiration of those who have paved the way for us be our guiding light...May the blessings of our Maui Honua keep us grounded at all times in respect and aloha for one another. E ho'omau i ka pono - E 'Ila'u aku a loa'a ka lei o ka lanakila!

A Message from Mayor Richard T. Bissen, Jr.

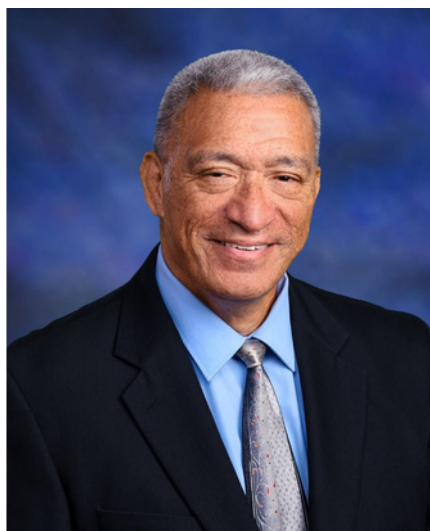

Aloha mai kākou, Welcome to the 2025 Hawaiian Canoe Racing Association State Championship Regatta, held at Hanakaʻōʻō Beach Park on the island of Maui. This annual gathering is more than a race — it's a powerful celebration of our heritage, the strength of our communities and the enduring legacy of outrigger canoe paddling in Hawai'i.

Congratulations to all the outstanding crews who have earned their place at this year's championship. Your countless hours of training, deep discipline and passion for the sport are reflected in your presence here today.

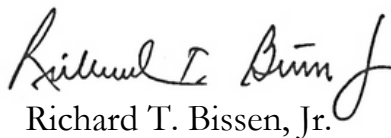

As we come together in celebration, let us remember the shared values that define this sport — kuleana, laulima and aloha. Each stroke connects us to the wisdom of our kūpuna, and every finish line crossed carries forward traditions that span generations.

Mahalo to the HCRA, all participating associations, clubs, coaches, volunteers and families who make this event possible. Let us honor this day by cheering each other on, embracing the spirit of competition, and strengthening the bonds of our paddling 'ohana.

Ho'omaika'i to each of you for reaching this level — and may the waters carry you forward with strength and purpose.
